

**Churches Together in Somerset AGM and Forum**  
**7pm Thursday 4<sup>th</sup> March 2021.**

This is to be a virtual event, planned to start with the AGM at 7.00pm and once the business is completed to move into the Forum which will conclude by 8.30pm. The Zoom link will be provided nearer the day along with the Agenda, Annual Report and Financial Statement.

Badged as part of "Mission Explored", the theme for the Forum will be ***"Voices - all are equal in God's sight?"***. Plans are in hand for a panel of three speakers to address the issue of justice and equality - an important topic, which is of interest to all our churches, churches together groups and Local Ecumenical Partnerships.

CTWA is allowed to send two people to the AGM with voting rights – although any number can attend.
